

7th 'Utrecht Sessions' on
congenital heart disease:

Aortic Anomalies

February 7th - 8th, 2020

www.utrechtsessions.nl

UMC Utrecht
Wilhelmina Children's Hospital

Dear colleagues,

We would like to invite you to our 7th 'Utrecht Sessions' on congenital heart disease, which will take place on February 7th - 8th, 2020 at the UMC Utrecht/Wilhelmina Children's Hospital, The Netherlands.

After last year's highly successful sessions on tetralogy of Fallot, we will focus this year on the state-of-the-art management of patients with aortic anomalies, from vascular rings and slings to coarctation of the aorta and aortic hypoplasia.

We will follow our last year's concept to discuss the entire spectrum from diagnostics to therapy, from prenatal to adulthood. As in previous years, an international faculty of experts from Europe and North America will guarantee stimulating lectures and interactive discussions.

The main topics will be:

- Pathology and embryology of aortic anomalies
- Imaging of aortic anomalies: from fetal echo and MRI to 4D flow and CFD in the adult
- The airway and esophagus in aortic arch abnormalities
- Surgical strategies in vascular rings and slings
- Coarctation in very low birth weight: stenting as bridge to surgery
- Coarctation and hypoplastic aortic arch; surgical strategies in the newborn
- Brain protection and neuro monitoring in neonatal aortic arch surgery
- Hypertension after CoA, a lifelong vasculopathy?
- Low gradient re-CoA in the adult: what to treat?
- Dissection of the thoracic aorta: Trilogy of treatment

There will be a social dinner on Friday February 7th 2020.

We look forward to see you on February 7th and 8th, 2020 in Utrecht.

Gregor Krings, Felix Haas, Paul Schoof, Heynric Grotenhuis,
Henriëtte ter Heide, Gabriëlle van Iperen, Trinette Steenhuis,
Michiel Voskuil, Bram van Wijk

A separate Dutch-spoken satellite symposium will be held on Thursday February 6th intended for parents, local health care providers and our partners in the field of pediatric cardiac care.

Program Friday February 7th

08.00 - 08.30 Registration and coffee

08.30 - 08.35 Welcome by

Gregor Krings and
Felix Haas

Aortic rings and slings I

Chairmen: Tara Bharucha and Hans Breur

08.35 - 09.00 Anatomy and Embryology of aortic rings and slings

09.00 - 09.25 Prenatal diagnostics

09.25 - 09.50 Aortic rings and slings:

postnatal echo and clinical impact

09.50 - 10.15 Imaging of airways and esophagus in aortic arch abnormalities

10.15 - 10.45 Coffee break

Monique Jongbloed
Joanna Dangel

John Simpson

Robert Fleck

Aortic rings and slings II

Chairmen: Felix Haas and Damien Bonnet

10.45 - 11.25 Pro-Con debate 'right aortic arch requires immediate surgery after birth'

Don't wait for symptoms, surgery in all

No intervention without symptoms

11.25 - 11.55 Tracheobronchomalacia: assessment and surgical management

11.55 - 12.25 Surgical options in vascular rings and slings

12.25 - 13.45 Meet, greet and eat

Nagarajan Muthialu
Carl Backer

Russel Jennings
Carl Backer

Aortic rings and slings III

Chairmen: Francesca Pluchinotta en Carl Backer

13.45 - 14.00 Vascular rings: the lateral approach

14.00 - 14.15 Vascular rings: the anterior approach

14.15 - 14.40 Surgical options in tracheal stenosis

14.40 - 15.05 Aortopexy for bronchomalacia

15.05 - 15.35 Case aortic arch anomaly

15.35 - 16.00 Tea break

Ryan Accord
Dave Koolbergen
Pieter van de Woestijne
Chris Baird
Tara Bharucha

Coarctation of the aorta I

Chairmen: Shakeel Qureshi and Darren Berman

16.00 - 16.25 Pathology of the aortic arch

16.25 - 16.50 Prenatal assessment of aortic arch hypoplasia and CoA

16.50 - 17.15 Prenatal MRI of the aortic arch

17.15 - 17.35 CoA in very low birth weight: stenting as bridge to surgery

17.35 Closure

19.30 Social dinner

Monique Jongbloed

Tara Bharucha
Kuberan Pushparajah

Gregor Krings

Program Saturday February 8th

Coarctation of the aorta II

Chairmen: Henriëtte ter Heide and Paul Schoof

09.00	Welcome	Heynric Grotenhuis and Mirella Molenschot
09.00 - 09.25	Clinical decision making: when is the arch too small?	Damien Bonnet
09.25 - 09.50	CoA and hypoplastic aortic arch; surgical strategies in the newborn	Rudolf Mair
09.50 - 10.15	Brain protection and neuro monitoring in neonatal aortic arch surgery	Ken Brady
10.15 - 10.40	Early re-CoA: when to treat?	Mario Carminati
10.40 - 11.10	Coffee break	

Coarctation of the aorta III

Chairmen: Ehsan Natour and Carl Backer

11.10 - 11.35	Effects of caliber and curvature on arterial hemodynamics after CoA repair (MRI)	Vivek Muthurangu
11.35 - 12.00	Hypertension after CoA, a lifelong vasculopathy?	Heynric Grotenhuis

Pro-Con:

how to treat hypertension after CoA repair

12.00 - 12.20	I Stenting your way out	Darren Barmen
12.20 - 12.40	II Stay out of stenting	Mario Carminati
12.40 - 13.00	III Panel discussion	Shakeel Qureshi Michiel Voskuil Tara Bharucha Rudolf Mair
13.00 - 14.00	Meet, greet and eat	

Coarctation of the aorta IV

Chairmen: Chris Baird and Paul Schoof

14.00 - 14.20	Low gradient re-CoA in the adult: what to treat?	Michiel Voskuil
14.20 - 14.40	Engineering to predict aortic trouble	Francesca Pluchinotta

Dissection of the thoracic aorta

14.40 - 14.50	Case presentation: dissection after CoA stenting	Mirella Molenschot
14.50 - 15.05	Surgical approach	Ehsan Natour
15.05 - 15.20	Bare metal stenting	Shakeel Qureshi
15.20 - 15.45	Case continued: how we solved it!	Mirella Molenschot

15.45	Closing remarks	
16.00	Beer and wine	

Faculty

Ryan Accord, Groningen
Carl Backer, Chicago
Chris Baird, Boston
Darren Barmen, Columbus
Tara Bharucha, Southampton
Ken Brady, Chicago
Damien Bonnet, Parijs
Hans Breur, Utrecht
Mario Carminati, Milan
Joanna Dangel, Warschau
Heynric Grotenhuis, Utrecht
Robert Fleck, Cincinatti
Felix Haas, Utrecht
Russell Jennings, Boston
Monique Jongbloed, Leiden
Gregor Krings, Utrecht
Dave Koolbergen, Leiden
Rudolf Mair, Linz
Mirella Molenschot, Utrecht
Nagarajan Muthialu, London
Vivek Muthurangu, London
Ehsan Natour, Maastricht
Francesca Pluchinotta, Milan
Kuberan Pushparajah, London
Shakeel Qureshi, London
Paul Schoof, Utrecht
John Simpson, London
Michiel Voskuil, Utrecht
Pieter van de Woestijne, Rotterdam

Organization

Gregor Krings, Pediatric Interventional
Cardiologist, Head Cath lab
Felix Haas, Professor of Congenital Thoracic
Surgery
Paul Schoof, Congenital Thoracic Surgeon
Heynric Grotenhuis, Pediatric Cardiologist
Henriëtte ter Heide, Pediatric Cardiologist
Gabriëlle van Iperen, Pediatric Cardiologist
Trinette Steenhuis, Pediatric Cardiologist
Michiel Voskuil, Cardiologist
Bram van Wijk, Congenital Thoracic Surgeon
Sylvia van Zuilen, Conference coordinator,
Dept Pediatric Cardiology UMC Utrecht

Location symposium

UMC Utrecht
Lecture Hall:
'Blauwe/roze collegezaal'
Heidelberglaan 100
3584 EA Utrecht, The Netherlands

Child health, science for life

The Child Health Program of the UMC Utrecht is an integrated framework for child-centered interdisciplinary research, aligning patients, clinicians, investigators and resources, so that we can improve both physical and mental health of children during childhood and thereafter.

Abstract Submission

We invite you to share your expertise on aortic anomalies in the form of an abstract presentation: symposium@umcutrecht.nl
Upload abstract:

<http://www.utrechtsessions.nl/utrechtsessions/the-7th-utrecht-sessions-for-congenital-heart-disease-the-aorta-understand-and-treat-from-6th-8th-february-2020/>

Early Bird Registration before January 1st, 2020

Conference fee Friday/Saturday (in English)

Physician (non AEPC member)	€ 390,-
Physician (AEPC member)	€ 290,-
Fellow (non AEPC member)	€ 290,-
Fellow (junior AEPC member)	€ 190,-
Non-Physician	€ 150,-
Parent	€ 75,-
UMC Utrecht, UMCG or MM Veldhoven employee	€ 100,-

Conference Fee Thursday/Friday/Saturday (in Dutch and English)

Physician (non AEPC member)	€ 420,-
Physician (AEPC member)	€ 320,-
Fellow (non AEPC member)	€ 320,-
Fellow (junior AEPC member)	€ 220,-
Non-Physician	€ 175,-
Parent	€ 75,-
UMC Utrecht, UMCG or MM Veldhoven employee	€ 150,-

Social Dinner on February 7th, 07.30 PM € 65,- (registration required)

Registration

Participants can register via the online registration form on the website:

<https://webshop.umcutrecht.nl/umcutrecht/nl/Products/Utrecht-Sessions.aspx>

Website
